

For a list of training documents and helpful videos go to <u>https://2023.calmhsa.org/</u> . We also have a specialist to assist you via live chat.	
Clicking on the SmartCare icon will bring you back to your Home Page.	The Unsaved Changes icon will display a list of screens that you made changes to but navigated away from before saving.
You can use your internet browser's forward and back buttons to navigate in SmartCare.	Anything with underlined text is hyperlinked and will help you easily navigate in SmartCare. <u>Testing, Jose(Targ</u> <u>10:00 AM</u> The History icon will open a window that displays the last 13 patients and QuickLinks you have accessed in your current session.
The Person Search icon will allow you to search for a client by their name or ID number.	The Help icon will take you to CalMHSA's Training Tools page. This has user guides and helpful videos.
Clicking the More Detail icon in a document will allow you to see earlier versions, who has signed the document, and add an additional signature.	Client Flags provide important information you need to know about the client are generally listed in order of importance. Testing, Jose (1285)
Using the Add Favorite icon will allow you to bookmark screens and list pages which keeps all your filtered settings.	My Office menu provides a list of screens. Client menu provides a list of screens specific to the client.
<b>Note:</b> Screens vs. Forms. Screens are forms that, when updated, only show the most recent information. Documents, on the other hand, will save the finalized version in a pdf in order to capture data at a point-in-time.	Note: You can use the zoom or magnify settings on your web browser to your preference to better view information in SmartCare.
<b>Note:</b> Most links in Widgets open up into 'List Pages' which act as both launching pad and active report	<b>Note:</b> You can filter a List Page data in many different ways. This will make it easy to review relevant data very quickly.
