Mental, Behavioral and Neurodevelopmental disorders (F01-F99)

Use this a guide if you are having difficulty with finding a diagnosis and/or the list is too long. It is faster to search by the ICD10 #. Most mental and behavioral health ICD10 codes are between F01-F99. If you type into the code box "F##", it will help narrow down the list. We are also working with Streamline to improve the search function. This list is not meant to be comprehensive, but is focused on most commonly used.
