EHR Release Notes: September 12, 2024

Completed Initiative	Release Note
Update Standard ROI	CalMHSA has received feedback from counties regarding the current Release of Information document in SmartCare. CalMHSA worked with 3 representatives of a group of 13 county counsels with regards to requested changes. Since this is a core document, meaning it's used by all SmartCare customers, there are limited changes that can be made. CalMHSA was also not able to create our own, separate version of the ROI without losing all of the integrated functionality. Further changes, if needed, can be reviewed in the future.
